Language: English

Facilitators: Carolyn Stephens(London School of Hygiene & Tropical Medicine) and Tamsin Rose (European Public Health Alliance)

Audio visual support: Adrian Cousins

Programme

Increasing young people's voices- what works, what doesn't, what are the priorities

- Showing of EEN video
- Sharing experiences of making the video
- Sharing experiences of the Youth Parliament
- Practical steps to take in making a video
- Brainstorming on how the video can be used (local media, town councils, school screenings, etc)
- Conclusions

This workshop will be filmed by the UK students as part of their Budapest video diary.
